ORDER

This order may be read with reference to the previous order dated 15.07.2021.

2. The Appellant is not present today.

3. The Respondent states that the information, as exists, in their record has been provided to the appellant. She further states that the information demanded by the Appellant is related to more than one PIO's. Hence, it is not feasible to provide the remaining information as it is to be collected from different PIOs.

4. After perusing the case file, it is ascertained that the information existing in the official record of the Respondent has been provided to the Appellant. However, the appellant may take note that Under-section 6(1)(a) a person seeking information has to apply to the concerned public authority. It is not the job of one PIO to collect and therefore collate this information from different PIOs of different Public Authorities and thereafter supply the same to the appellant. I find no merit in the appeal and the same is **dismissed**. The appellant may however approach the concerned PIOs with fresh application/s if he wants the information.
