O R D E R

I have gone through the RTI application and discussed the matter with the appellant and the PIO and also perused the case file. I have gone through the Order dated 29.04.2019. The appellant was directed to bring the list of deficiencies to the notice of the PIO and in compliance to the Order the appellant submitted list of deficiencies before the PIO. The PIO, in compliance to the deficiencies sent the information through registered post to the appellant on 11.05.2019. Today before the Commission some other information has been provided to the appellant through letter no. 731 dated 20.05.2019 along with 14 C.Ds and some other papers. The appellant has received the information and C.Ds.

I have heard both the parties. The appellant stated that she is satisfied with the information provided to her except para no. 4, 7 and 13 of the RTI application.

So the PIO is directed that information regarding para no. 4, 7 and 13 of the RTI application be clarified that which part has been provided and in case any part of the information is yet to be provided that be provided within 15 days. In case, any part of the information is not

available in the office of the PIO or is not related with the office of the PIO, then the PIO, Smt. Pallavi Chhabra should personally appear on the next date of hearing and submit the self attested affidavit before the Bench that this part of information is not available in her office or is not related with her office, so she is unable to provide it to the appellant.

Both the parties to come present on the next date of hearing on **26.06.2019 at 11:00 A.M.**
