### Complaint Case No. 123 of 2025

*Subject: Inquiry Report regarding delay in furnishing information under the RTI Act, 2005, pertaining to RTI Application dated 21.03.2025 filed by Sh. Ishan Kaushal, Advocate, as per the directions of Hon'ble Punjab State Information Commission in Complaint No. 123 of 2025.*

In compliance with the directions issued by the Hon'ble Punjab State Information Commission during the hearing of Complaint No. 123 of 2025 filed by Sh. Ishan Kaushal, Advocate under Section 18 of the RTI Act, 2005, an inquiry has been ordered to be conducted by the Commission to fix responsibility for the delay in providing information pertaining to the RTI application dated 21.03.2025 and the Joint Commissioner, Municipal Corporation, Jalandhar was deputed to hold the inquiry and to submit factual report.

As per preliminary inquiry report, the original RTI application dated 21.03.2025 was received in the office of the Municipal Corporation, Jalandhar on 26.03.2025 which was got delivered to the concerned branches within corporation 2.05.2025 and on 5.05.2025. The application comprised twenty-four (24) separate points seeking information from different wings of the Corporation and two other offices out of Municipal Corporation, Jalandhar which are not directly under the supervision/ administration of corporation Jalandhar.

The RTI application consisting of 24 points and out of which points 1 to 12 pertained to Jalandhar Smart City Limited (JSCL), points 13 to 15 related to Punjab Municipal Infrastructure Development Corporation (PMIDC), JSCL and PMIDC is not directly under the supervision and administration control of corporation Jalandhar and points 16 to 21 pertained to the Workshop Wing of the Corporation, and points 22 to 24 were related to the RTI Branch itself. Os) and departmental officials were recorded and the relevant record was examined.

After examining the inquiry report and record it has been observed that the application dated 21.3.2025 comprised queries spanning multiple departments including JSCL, PMIDC, Workshop Wing and the RTI Branch itself, and that the nature of the queries was complex and confusing, making it difficult to ascertain the correct departments to which each query related, therefore the then Superintendent RTI Smt. Rajni Bala could not get the application dated 21.3.2025 delivered within time. She has since been transferred to another branch. From the statements and record, it emerges that the initial delay occurred at the stage of internal routing and processing of the application within the RTI Branch, before it was forwarded to the concerned departments.

It is pertinent to mention that the complete information sought by the applicant in his original RTI application has eventually been furnished in totality both to the Hon'ble Commission and to the applicant. There is no evidence of deliberate or malafide intention on the part of any of the concerned departments to withhold information. The delay was essentially procedural, arising from the complex and composite nature of the queries and the lack of timely internal coordination at the RTI Branch level. JSCL, Workshop Wing provided the information within reasonable time from the date of actual receipt of the application, and there was no lapse on their part.

From the above facts and findings, it is concluded that the delay in supplying information occurred primarily due to the failure of the then Superintendent, RTI Branch, to promptly and effectively route the RTI application to the concerned departments and to escalate procedural difficulties to higher authorities. However, the lapse was not intentional, but arose out of administrative confusion and the composite nature of the application involving multiple departments.

The preliminary enquiry report is being submitted for your information, please.

4. *It is also appropriate to mention that the respondent has to dealt with the RTI application within 30 days as per the provisions of the RTI Act, 2005 and in case the part of the information relates to other Public authority then the RTI application has to be transferred under section 6 (3) of the RTI Act, 2005 to other public authority. It is also clarified that the respondent has to transfer the RTI application under section 6 (3) to only one public authority and not to multiple public authorities as the singular word has been used in the said section.*

### **Complaint Case No. 123 of 2025**

5. *From the inquiry report, it is ascertained that the information sought pertaining to Point No. 1 to 12 relates to Jalandhar Smart City Ltd, Point No. 13 to 15 related to Punjab Municipal Infrastructure Development Company (PMIDC), and Point No. 16 to 21 pertaining to the Workshop Wing and Point No. 22 to 24 related to the RTI Branch, O/o Municipal Corporation, Jalandhar. So far as the information is concerned, no directions can be given to the respondent, Public Authority under Section 18 of the RTI Act, 2005.*
6. *It is also a fact that earlier, Sh. Rajesh Khokhar, Assistant Commissioner, Municipal Corporation, Jalandhar was present from Jalandhar but neither he gave any satisfactory reply with regard to the RTI application nor it appeared that he has consulted his counter parts before came to the Commission at Chandigarh. It is also mentioned in the previous order dated 03.07.2025, that such a Senior Level Officer was present all the way from Jalandhar but he was unable to give any satisfactory reply. Since, then a copy of the order is **being sent** to Sh.
