APPEAL CASE NO. 4826 OF 2024

PRESENT: Appellant: Absent
Respondent: Absent

ORDER:

This order may be read with the reference to the previous order dated **18.08.2026**.

2. The respondent is absent. The appellant, **Shri Nitin Kumar, is also absent** despite being served with order dated 18.08.2026 through Speed Post. In the previous hearing, the appellant was strictly directed to remain personally present and to bring the physical copies of the specific information/documents he claimed to have received under **point no. 3** for strict verification. By choosing to remain absent today, the appellant has failed to comply with the solemn directions of this Commission.

3. This Commission takes an exceptionally grave view of the fact that the appellant has **deliberately given misleading statement**, backed by his email dated 17.08.2026, which directly contradicts the physical evidence on record. His absence today further establishes that he has no material evidence to substantiate his false claim and has deliberately evaded the verification process, amounting to an abuse of the process of the RTI Act, 2005.

4. The Commission cannot permit its forum to be used for making false declarations, manipulating records, or wasting public time. However, since the appellant has furnished his written consent explicitly stating that he does not require any further information and wants the case closed, no further directions for the disclosure of information can be issued.

5. Therefore, keeping in view the appellant's explicit written request to close the matter, the appeal is hereby **disposed of and closed**. APPEAL CASE NO. 7684 OF 2023 Through Cisco Webex

PRESENT: Appellant: Absent
Respondent: Absent

ORDER:

This order may be read with the reference to the previous order dated **21.05.2026**.

2. Today neither the appellant nor the respondent is present. They have even not informed the Commission about their absence for today's hearing. It is also a fact that copy of previous order was sent to both the parties through registered post despite of that, they are absent.

3. A perusal of the case file shows that despite being granted an opportunity to appear before the Commission via virtual mode (Cisco Webex) at her own request, the appellant remains absent. It is also a fact that copy of previous order was sent to her through registered post but even though she is absent, which seems her absence is intentional and willful. The appellant has not submitted any written submission and nor has she opted to be present at today's hearing. The prima facie appears that the appellant does not intend to pursue the case and she has nothing to say in this regard.

4. The appeal is accordingly **disposed of and closed**. Copy of the order be sent to the parties.
