ORDER

This order may be read with reference to the previous order dated 29.01.2025, which was adjourned for 12.03.2025 but due to administrative reasons, the case could not be heard and further fixed for hearing today i. e. 23.04.2025.

2. The Counsel of the appellant is present today and stated that complete information has not been given to him rather the respondent is putting the RTI application from one respondent to another respondent. Sh. Ravinder Kumar Yadav, Senior Industrial Promotional Officer O/o District Industries Centre, Roopnagar and Sh. Harvinder Kumar, Clerk O/o Mining Department, SriAnandpur Sahib, appeared on behalf of the respondent.

3. The representative of the District Industries Center placed on record a copy of letter no. 170 dated 17.01.2025, mentioning therein that in accordance with the decision of the Government of Punjab on 15.02.2018 to create a new department i. e. Mining and Geology Department. Accordingly, the General Manager, District Industries Centre, S.A.S. Nagar (Mohali) handed over the complete record falling under District Industries Centre to the newly created department i. e. Mining and Geology Department and categorically submitted that no record related to the Mining is available in the said office i. e. District industries Centre, S.A.S. Nagar (Mohali). Accordingly, the General Manager, District Industries Centre, Roopnagar is directed to remain present on the next date of hearing alongwith the specific reply, by way of an affidavit, that no such record related to the RTI application is available in the O/o the General Manager, District Industry Centre, Roopnagar and in case any information is available in the said office then specific reply with regard to the RTI application be filed.

4. So far as the representative of the Executive Engineer, Drainage-cum-Mining and Geology Division SriAnandpur Sahib is concerned, he has submitted that the information as available on record has already been supplied to the appellant. However, the Counsel of the appellant submits that the information is incomplete. With regard to the remaining information no satisfactory response has been given by him. Accordingly, the Executive Engineer, Drainage-cum-Mining and Geology Division, SriAnandpur Sahib is directed to remain present, in person,

Contd...3/-

Appeal Case No 5680 of 2024

-3-

on the next date of hearing alongwith the point wise reply, in an annotated form by way of an affidavit, to ascertain which type of information related to the RTI application is available in the office and in case the part of the information is not available in the office then specific reply be filed mentioning the complete justification.

5. The Counsel of the appellant contended that none is present on behalf of the Superintending Engineer, Drainage-cum-Mining and Geology Circle, Roopnagar, who was impleaded as necessary party in this case as the Anandpur division is submitting that the partial information may be available in the Roopnagar Division/Circle. It is also a fact that Sh. Harvinder Kumar, Clerk was directed vide order dated 29.01.2025 to explain the proceedings of the case to the Superintending Engineer.

6. From perusal of the case file and in light of the previous order, it reflects very irresponsible attitude of the Superintending Engineer towards authority of this Commission. The Superintending Engineer has also not placed any explanation, in writing, which can justify that why the sought information was not provided to the appellant rather it is an attempt to undermine the authority of the Commission. Rather such conduct obstructs the discharge of the statutory functioning which has to be done by the Commission which has been obstructed.

7. In the seriousness of the case, the appearance of the Superintending Engineer, Drainage-cum-Mining and Geology Circle, Roopnagar is very essential, who was impleaded as necessary party in this case. As such the Superintending Engineer, Drainage-cum-Mining and Geology Circle, Roopnagar should appear before the Commission, in person, and bring the demanded information alongwith office record, if needed, otherwise it will be clear defiance of the directions given to the Superintending Engineer.

8. In the interest of natural justice and fairness of law, last and final opportunity given to the Superintending Engineer, Drainage-cum-Mining and Geology Circle, Roopnagar and Executive Engineer, Drainage-cum-Mining and Geology Division, Roopnagar to remain present in person, alongwith Executive Engineer, Drainage-cum-Mining and Geology Division, SriAnandpur Sahib with specific reply by way of an affidavit with regard to point no. 2, 4 and 5 of the RTI application, a copy of which is **being sent** alongwith this order.
