2. Today neither the appellant nor the respondent is present. The appellant has informed on phone that he is unable to attend today's hearing as he is not well. Respondent is also absent today. He has not informed the Commission about his absence for today's hearing. This shows that the respondent has no regard for the orders issued by the Commission. The Commission observed that there is complete negligence and laxity in the public authority in dealing with the RTI application. It is abundantly clear that such matters are being ignored and set aside without application of mind which reflects disrespect towards that RTI act 2005 itself. The Commission expressed its displeasure on the casual and callous approach adopted by the Respondent in responding to the RTI application. It is felt that conduct of Respondent is against the spirit of the RTI Act 2005, which has been enacted to ensure greater transparency and effective access to the information.
