Chapter I

AN INTRODUCTION TO THE PUNJAB STATE INFORMATION COMMISSION

The basic objective of the Right to Information Act is to empower citizens, promote transparency and accountability in the working of the government, contain corruption and make Indian democracy work for the people in its real sense. The Act is a big step towards transparency in government functioning in India.

Secrecy and accountability do not go together. There is no room for secrecy in a responsible government; good governance demands that all agents of the public be deemed responsible for their conduct to the citizens of the country. Citizens have the right to know about every public act as everything done by their representatives is ultimately for the benefit of the citizenry. With the advent of the Internet and social media, public functionaries are increasingly being reminded of the representative character of their job, as civil society insists they inform the public of every detail of their activities at every relevant point of time. The veil of secrecy that traditionally shrouded the activities of government is being progressively lifted and this has had a salutary effect on the functioning of governments in free societies.

The Right to Information Act has a comprehensive reach and covers a wide spectrum of bodies. All the Departments and Undertakings of the Central and State Governments, the institutions, agencies and other bodies established, constituted, owned, controlled or substantially financed by these Governments, including non-governmental organizations substantially financed, directly or indirectly by funds provided by appropriate Government come under its purview. Every citizen of India has a right to the information held by or under the control of any public authority. The Act provides for access in the form of inspection of documents or records as well as obtaining certified copies of material, printouts, cassettes or any other electronic recordings etc.

As provided under Section 15 (1) of the Right to Information Act 2005, the Government of Punjab has constituted the State Information Commission of Punjab on October 18, 2005. During the year 2011, Sh. R.I.Singh was Chief Information Commissioner with the following Information Commissioners.

1. Sh.P.K. Verma, State Information Commissioner;
2. Sh.Surinder Singh, State Information Commissioner;
3. Sh.P.P.S.Gill, State Information Commissioner;
4. Sh.Kulbir Singh, State Information Commissioner;
5. Mrs.Ravi Singh, State Information Commissioner;
6. Sh.Darbara Singh Kahlon, State Information Commissioner;
7. Mrs.Jaspal Kaur, State Information Commissioner;
8. Sh. B.C. Thakur, State Information Commissioner;
9. Sh. Chander Parkash, State Information Commissioner

Section 25 of the Right to Information Act provides that the Central Information Commission or the State Information Commission shall prepare a report on the implementation of the provisions of the Act after the end of each year and forward the report to the appropriate Government for laying it before the Parliament or the State Legislature. This Report has been prepared in compliance with sub-section (1) of section 25 of the Right to Information Act 2005.

Chapter -2 SALIENT FEATURES OF RIGHT TO INFORMATION ACT, 2005

The Right to Information is a powerful tool in the hands of the common people and the Right to Information Act 2005, has empowered every citizen of the country to seek information from various public authorities. The Act prescribes disclosure of information suo moto on the working of the public authorities which has to be updated from time to time along with the designation of Public Information Officers and Assistant Public Information Officers who will receive and process the requests for information from any information seeker and give the required information within the specified time limit. The Act also prescribes designation of First Appellate Authority by every public authority to consider the appeal against the decision of the Public Information Officer. Information Commissions have been constituted by the Central Government and State Governments to inquire into complaints or appeals against the orders of PIO and the first appellate authority and to monitor implementation of the provisions of the Act by the public authorities.

The salient points of the Right to Information Act, 2005 may be summarized as under:-

- (i) Every citizen of India can seek information from any public authority without specifying the reason for seeking the information;
- (ii) Public authorities are to furnish the required information to the applicants through the designated Public Information Officers within the specified time.
- (iii) The required information can be denied only under exemptions provided in the RTI Act 2005;
- (iv) The information to the applicant should ordinarily be provided in the form in which it is sought;
- (v) Fees for information as may be prescribed are chargeable. Persons belonging to BPL are not liable to pay any fee provided BPL cards are produced;
- (vi) When a request for information has been rejected, the Public Information Officer shall communicate to the person making the request –
 - the reasons for such rejection;
 - the period within which the appeal against such rejection may be preferred; and
 - the particulars of the Appellate Authority;
- (vii) The Public Information Officer shall provide the required information or reject the request within 30 days of receipt of such request;
- (viii) Person aggrieved by the decision of the PIO has the right to prefer an appeal within 30 days before the First or Departmental Appellate Authority (FAA) designated by the concerned authority

- (ix) Person aggrieved by the decision of the First Appellate Authority (FAA) has the right to prefer a second appeal within 90 days before the Central or State Information Commission. The decision of the Central or State Information Commission is final and binding on the public authority;
- (x) Information concerning the life and liberty of a person has to be given within 48 hours from receipt of the application;
- (xi) The Central or State Information Commission has the power to impose penalty upon, and to recommend disciplinary action against, the Public Information Officer on grounds specified under the Act;
- (xii) The provisions of the Act have an overriding effect on any other law for the time being in force including the provisions of the Official Secrets Act, 1923;
- (xiii) The appropriate Government and competent authorities are empowered to make rules to carry out the provisions of the Act;
- (xiv) The appropriate Government is required by sub-section (1) of Section 26 to perform the following :-
 - To develop and organize educational programmes to advance the understanding of the public as to how to exercise the rights contemplated under the Act
 - To encourage public authorities to participate in the development and organization of educational programmes and to undertake such programmes themselves;
 - To promote timely and effective dissemination of accurate information by public authorities about their activities; and
 - To train State Public Information Officers of the public authorities and produce relevant training materials for use by the public authorities themselves.

PUNJAB STATE INFORMATION COMMISSION: A BRIEF INTRODUCTION

As provided under section 15(1) of the Right to Information Act, 2005, Punjab Govt. constituted the State Information Commission Punjab on October 18, 2005 and Sh.Rajan Kashyap IAS, who retired as Chief Secretary Punjab, was appointed as its first Chief Information Commissioner. After the superannuation of Sh.Rajan Kashyap on 29.07.2008, Sh.P.K.Verma, State Information Commissioner was appointed as officiating Chief Information Commissioner vide Punjab Govt. Notification No.2/41/2005-1AR/573-581 dated 07.08.2008 and he continued as such till 28.06.2009. He was succeeded by Sh.R.I.Singh IAS, Chief Secretary (Retd.), who assumed charge as Chief Information Commissioner on 29.06.2009.

COMMISSIONERS

In the year under report, two more State Information Commissioners, namely, Sh.B.C.Thakur and Sh. Chander Parkash were appointed. During the same year, Sh.P.K.Verma IAS (Retd.) Sh. Darbara Singh Kahlon and Sh.Surinder Singh were superannuated. The following Information Commissioners were in position during the period under the report:-

Chief Information Commissioner

1. Sh.R.I.Singh, Chief Information Commissioner;

State Information Commissioners:

1. Sh.P.K. Verma, State Information Commissioner;
2. Sh.Surinder Singh, State Information Commissioner;
3. Sh.P.P.S.Gill, State Information Commissioner;
4. Sh.Kulbir Singh, State Information Commissioner;
5. Mrs.Ravi Singh, State Information Commissioner;
6. Sh.Darbara Singh Kahlon, State Information Commissioner;
7. Mrs.Jaspal Kaur, State Information Commissioner;
8. Sh. B.C. Thakur, State Information Commissioner;
9. Sh. Chander Parkash, State Information Commissioner.

Chapter -3 POWERS OF THE STATE INFORMATION COMMISSION, ENQUIRIES, APPEALS AND PENALTIES UNDER THE RIGHT TO INFORMATION ACT, 2005.

Powers and functions of the State Information Commissions, appeal and penalties under the Right to Information Act, 2005, are reproduced below :-

(a) Enquiries under section 18 of the Act :-

18(1) Subject to the provisions of this Act, it shall be the duty of the Central information Commission or State Information Commission, as the case may be, to receive and inquire into a complaint from any person,—

(a) who has been unable to submit a request to a Central Public Information Officer or State Public Information Officer, as the case may be, either by reason that no such officer has been appointed under this Act, or because the Central Assistant Public Information Officer or State Assistant Public Information Officer, as the case may be, has refused to accept his or her application for information or appeal under this Act for forwarding the same to the Central Public Information Officer or State Public Information Officer or senior officer specified in sub-section (1) of section 19 or the Central Information Commission or the State Information Commission, as the case may be;

(b) who has been refused access to any information requested under this Act;

(c) who has not been given a response to a request for information or access to information within the time limit specified under this Act;

(d) who has been required to pay an amount of fee which he or she considers unreasonable;

(e) who believes that he or she has been given incomplete, misleading or false information under this Act; and

(f) in respect of any other matter relating to requesting or obtaining access to records under this Act.

(2) Where the Central Information Commission or State Information Commission, as the case may be, is satisfied that there are reasonable grounds to inquire into the matter, it may initiate an inquiry in respect thereof.

(3) The Central Information Commission or State Information Commission, as the case may be, shall, while inquiring into any matter under this section, have the same powers as are vested in a civil court while trying a suit under the Code of Civil Procedure, 1908, in respect of the following matters, namely:—

(a) summoning and enforcing the attendance of persons and compel them to give oral or written evidence on oath and to produce the documents or things;

(b) requiring the discovery and inspection of documents;

(c) receiving evidence on affidavit;

(d) requisitioning any public record or copies thereof from any court or office;

(e) issuing summons for examination of witnesses or documents; and

(f) any other matter which may be prescribed.

(4) Notwithstanding anything inconsistent contained in any other Act of Parliament or State Legislature, as the case may be, the Central Information Commission or the State Information Commission, as the case may be, may, during the inquiry of any complaint under this Act, examine any record to which this Act applies which is under the control of the public authority, and no such record may be withheld from it on any grounds.

19 (1) Any person who, does not receive a decision within the time specified in sub-section (1) or clause (a) of sub-section (3) of section 7, or is aggrieved by a decision of the Central Public Information Officer or State Public Information Officer, as the case may be, may within thirty days from the expiry of such period or from the receipt of such a decision prefer an appeal to such officer who is senior in rank to the Central Public Information Officer or State Public Information Officer as the case may be, in each public authority:

Provided that such officer may admit the appeal after the expiry of the period of thirty days if he or she is satisfied that the appellant was prevented by sufficient cause from filing the appeal in time.

(2) Where an appeal is preferred against an order made by a Central Public Information Officer or a State Public Information Officer, as the case may be, under section 11 to disclose third party information, the appeal by the concerned third party shall be made within thirty days from the date of the order.

(3) A second appeal against the decision under sub-section (1) shall lie within ninety days from the date on which the decision should have been made or was actually received, with the Central Information Commission or the State Information Commission:

Provided that the Central Information Commission or the State Information Commission, as the case may be, may admit the appeal after the expiry of the period of ninety days if it is satisfied that the appellant was prevented by sufficient cause from filing the appeal in time.

(4) If the decision of the Central Public Information Officer or State Public Information Officer, as the case may be, against which an appeal is preferred relates to information of a third party, the Central Information Commission or State Information Commission, as the case may be, shall give a reasonable opportunity of being heard to that third party.

(5) In any appeal proceedings, the onus to prove that a denial of a request was justified shall be on the Central Public Information Officer or State Public Information Officer, as the case may be, who denied the request.

(6) An appeal under sub-section (1) or sub-section (2) shall be disposed of within thirty days of the receipt of the appeal or within such extended period not exceeding a total of forty-five days from the date of filing thereof, as the case may be, for reasons to be recorded in writing.

(7) The decision of the Central Information Commission or State Information Commission, as the case may be, shall be binding.

(8) In its decision, the Central Information Commission or State Information Commission, as the case may be, has the power to—

(a) require the public authority to take any such steps as may be necessary to secure compliance with the provisions of this Act, including—

- (i) by providing access to information, if so requested, in a particular form;
- (ii) by appointing a Central Public Information Officer or State Public Information Officer, as the case may be;
- (iii) by publishing certain information or categories of information;
- (iv) by making necessary changes to its practices in relation to the maintenance, management and destruction of records;
- (v) by enhancing the provision of training on the right to information for its officials;
- (vi) by providing it with an annual report in compliance with clause (b) of sub-section (1) of section 4;
- (b) require the public authority to compensate the complainant for any loss or other detriment suffered;
- (c) impose any of the penalties provided under this Act;
- (d) reject the application.

(9) The Central Information Commission or State Information Commission, as the case may be, shall give notice of its decision, including any right of appeal, to the complainant and the public authority.

(10) The Central Information Commission or State Information Commission, as the case may be, shall decide the appeal in accordance with such procedure as may be prescribed.

20 (1) Where the Central Information Commission or the State Information Commission, as the case may be, at the time of deciding any complaint or appeal is of the opinion that the Central Public Information Officer or the State Public Information Officer, as the case may be, has, without any reasonable cause, refused to receive an application for information or has not furnished information within the time specified under sub-section (1) of

section 7 or malafidely denied the request for information or knowingly given incorrect, incomplete or misleading information or destroyed information which was the subject of the request or obstructed in any manner in furnishing the information, it shall impose a penalty of two hundred and fifty rupees each day till application is received or information is furnished, so however, the total amount of such penalty shall not exceed twenty-five thousand rupees:

Provided that the Central Public Information Officer or the State Public Information Officer, as the case may be, shall be given a reasonable opportunity of being heard before any penalty is imposed on him:

Provided further that the burden of proving that he acted reasonably and diligently shall be on the Central Public Information Officer or the State Public Information Officer, as the case may be.

(2) Where the Central Information Commission or the State Information Commission, as the case may be, at the time of deciding any complaint or appeal is of the opinion that the Central Public Information Officer or the State Public Information Officer, as the case may be, has, without any reasonable cause and persistently, failed to receive an application for information or has not furnished information within the time specified under subsection (1) of section 7 or malafidely denied the request for information or knowingly given incorrect, incomplete or misleading information or destroyed information which was the subject of the request or obstructed in any manner in furnishing the information, it shall recommend for disciplinary action against the Central Public Information Officer or the State Public Information Officer, as the case may be, under the service rules applicable to him.

Chapter -4 Permanent Office of the Commission

In order to perform its duties as per the Act, the Commission has taken steps to create the required infrastructure and systems for management of its affairs. To begin with, two floors of SCO.84-85, Sector 17-C, Chandigarh were taken on rent and made functional within a period of six weeks of the constitution of the Commission. This is presently the main office of the Information Commission, which accommodates Chief Information Commissioner, four State Information Commissioners, and the Administrative wing. After the appointment of more Information Commissioners, another floor in SCO.32-34, Sector 17-C, Chandigarh, which is located very close to the main office of the Commission, was also taken on rent. It houses the office rooms of five State Information Commissioners, their personal staff and court room. The Government of Punjab has released a grant of about Rs.5.00 crores to the Indian Red Cross Society Punjab for construction of a building in its premises in Sector 16, Chandigarh and to provide suitable accommodation to the Commission for permanently housing its offices in that building. The construction work is quite at an advanced stage and all the offices of the Commission are likely to be shifted to the new building in the near future. The rent to be charged from the Commission will be at the rates to be assessed by the State Public Works Department will be set off against the grant given by the State Govt. to the Red Cross Society. This will not only ensure smooth functioning of the Commission but will also go a long way in providing lot of relief to the appellants/complainants and the public at large.

The Commission from the very beginning was aware that the modern and state of the art information technology systems have to be adopted in the office management and in the court work. With this objective in view, the Commission became the first State Information Commission in India to launch its own website on 11.05.2006. The entire information, as envisaged in the RTI Act 2005, was up-loaded on the website.

Chapter-5 Staff of the Commission

The Commission has appointed minimum required staff for various administrative duties. In order to achieve better results with minimum expenses, computer literate staff has been appointed on contractual/outsourced basis. Some officers have been appointed on deputation from Government. The details of posts, mode of appointment and remuneration being paid is given at Annexure A.

Systems & Website

Punjab State Information Commission was the first State Information Commission in India to launch its website: www.infocommpunjab.com.

Punjab State Information Commission has developed an information system in consultation with National Informatics Centre(NIC), Punjab and Technorite Consultants, Mohali, Punjab. To enable the storage and retrieval of huge volumes of information, a three-tier system has been developed and adopted.

Local Area Network (LAN)

All Punjab State Information Commission computers have been linked up through LAN allowing fast data transfer and sharing.

The Management Information Software (INCOMS) system can generate the following reports:

- Daily Case Register/ cases registered within a certain period;
- Allocation of cases to various benches;
- Issue of Notice of Hearing;
- Details of cases in progress;
- Cause List;
- Status/History of a case;
- Department-wise distribution of cases;
- Public Authority-wise distribution

The Punjab State Information Commission website contains information on the RTI Act, Punjab State Government Rules and Forms, cause lists and MIS, like number of appeals/ complaints registered and disposed of etc.

Chapter-6 Budget of the Commission

Budget allocation to the Commission for the last three years is as follows:-

Budget allocation vis-a-vis Expenditure incurred during the year 2009-10, 2010-11 and 2011-12 and approved.

S. No.	SOE	2009-10		2010-11		2011-12
		Budget Provision	Expenditure incurred	Budget Provision	Expenditure Budget	Approved Budget
1.	Salaries	11,600,000	10,718,614	23,000,000	21,325,947	25000000
	Non-Salaries			10,410,000	8,608,597	12230000
1.	Pensionary Benefit of CIC	-	-			
2.	Medical	100,000	38,846			
3.	Domestic Travel Exps	300,000	173,061			
4.	Foreign Travel Exps	200,000	255,772			
5.	Office Expenses	6,000,000	6,081,473			
6.	Rent,Rate & Taxes	1,800,000	1,715,734			
7.	Publication	300,000	-			
8.	POL	1,200,000	744,772			
9.	Telephone	600,000	454,479			
10.	Electricity	470,000	269,157			
11.	Water Expenses	30,000	34,182			
	Total	22,600,000	20,486,090	33,410,000	29,934,544	37,230,000

Chapter-7 Meetings of the Full Commission

In order to ensure that Right to Information Act 2005 is implemented in its true letter and spirit, it was felt that the Full Commission should meet and address various issues. In the year 2011, five meetings of the Full Commission were held on 13/01/2011, 16/02/2011, 19/07/2011, 29/09/2011 and 04/11/2011. The proceedings of the meetings have been uploaded on the website of the Commission i.e. www.infocommpunjab.com.

Chapter -8 Provision of Central Grant

Govt. of India, vide their letter No.1/30/2008-1R dated 18.12.2009 gave a grant of Rs.21.00 lacs (70%) as first installment towards IT Enablement under the Centrally Sponsored Scheme on Strengthening, Capacity Building and Awareness Generation for effective implementation of RTI Act for the following purposes:-

1. Procurement of Computers peripherals;
2. Providing Local Area Network;
3. Video Conferencing Facility.

Video Conferencing Facility:

The video conference facility was launched by H.E.Governor of Punjab, Sh. Shivraj V Patil on 3rd March 2011. Funds for this facility were provided by the Government of India and the project was executed by National Informatics Centre (NIC). To start with, three border districts of Amritsar, Gurdaspur and Ferozpur have been covered through video conferencing and subsequently Ludhiana district has also been added. Hearing of the cases is conducted in the office of the respective Deputy Commissioner. Gradually the facility is proposed to be extended to the remaining districts of the State provided the required staff and court room are made available. This facility saves lot of money, time and energy of the complainant, appellant and the PIO's, as they are not required to come to Chandigarh to attend the hearing of their cases. The facility has also resulted in early delivery of justice to the parties concerned.

Chapter -9

Adjudicatory functions of the Commission

While performing adjudicatory role as per sections 18 and 19 of the RTI Act 2005, during the period under report, 6159 appeal/complaint cases were decided. The closing balance on 31.12.2010 was 880 cases. 5279 cases were instituted during the period. Out of a total of 6159 appeal/complaint cases, 4870 were decided during the year 2011 which left a balance of 1289 cases to be carried forward to the next year 2012. The following chart depicts this position clearly:-

2011 (1-1-2011 to 31-12-2011)

1. Total number of cases pending as on 01.01.2011.	880
2. Total number of fresh cases received between 1-1-2011 and 31-12-2011.	5279
3. Total number of cases disposed of between 1-1-2011 and 31-12-2011	4870
4. Total number of cases pending as on 1-1-2012	1289

A comparison with the previous years since 2005 is given in the chart below:-
Overall status of the 2nd Appeal/Complaints in the Commission (From 2005 to 2011)

Year	Balance	Received	Total (Received + Balance of Last Year)	Disposed of	Balance
2005	-	20	20	-	20
2006	20	1083	1103	624	479
2007	479	2900	3379	2429	950
2008	950	3854	4804	3058	1746
2009	1746	5098	6844	5543	1301
2010	1301	5101	6402	5522	880
2011	880	5279	6159	4870	1289

During this period penalty was imposed in 48 cases under Section 20 of the RTI Act, and the total amount of Rs.4,92,500/- was realised as penalty.

Compensation amounting to Rs.2,70,400/- was awarded in 111 cases u/s 19 of RTI Act 2005. In some cases both penalty and compensation was awarded. The details of penalty imposed/compensation awarded is shown in the chart given below:-

Total No. of Penalty cases & where Compensation ordered by the Benches in 2011(01.01.2011 to 31.12.2011)

No. of cases in which penalty was imposed.	Total Amount of Penalty, imposed	No. of cases in which Compensation was awarded	Total Amount of Compensation awarded
48	4,92,500	111	2,70,400

The Complete List is at Annexure at "B"

The Commission has the dictum that justice should be dispensed expeditiously to the best possible satisfaction of the stake holders, i.e. the information seeker. With this end in view, the Commission right from the beginning has followed the policy that a case does not finish with the passing of the order. Rather, it comes to an end only with the compliance of orders passed by it. So the case is closed only when the information seeker gets the information. To facilitate the litigants of cases, lists of matters for hearing are placed on the website (supra) of the Commission well in advance. The cause lists are also displayed outside the court rooms/chambers on the dates of hearings. Although no time limit has been fixed for decision of the second appeals/complaints before the Commission, yet keeping in view the spirit of the Act, the cases are decided expeditiously with minimum adjournments. After the pronouncement of judgments in the open court and in the presence of the parties, the judgments are displayed on the website of the Commission immediately, and the concerned person can access those judgments. Even the interim orders are also displayed on the website of the Commission. Copies of the orders are also given/sent to the concerned parties by post.

State Information Commission Punjab itself is a public authority. During the period under report 301 requests for information were received. Out of these 289 requests were disposed of. The remaining 12 requests were rejected for various reasons. During this period, 44 appeals were received by the First Appellate Authority and all the 44 appeals were disposed off.

SEMINARS TO CREATE AWARENESS ABOUT RTI ACT

In order to create awareness, strengthening and capacity building for effective implementation of RTI Act, the Commission spent Rs.1,08,986/- on conducting seminars and inter-active sessions, workshops etc in the year under report. These programmes were conducted at the following places:-

S.No.	Name of organization	Date
1.	SDAM College Dinanagar, Gurdaspur	28.01.2011
2.	Deputy Commissioner, Ludhiana	08.07.2011
3.	Deputy Commissioner, Moga	05.08.2011 & 23.09.2011
4.	Deputy Commissioner, Ropar	25.02.2011
5.	Deputy Commissioner, Hoshiarpur	26.06.2011
6.	S.D.M office Pathankot	15.03.2011
7.	Deputy Commissioner, Kapurthala	08.03.2011
8.	Govt. Mohindra College, Patiala	26.02.2011

Chapter 10

Observations and Recommendations

Section 25 (3) (g) of Right to Information Act 2005 enjoins upon the State Information Commission to make recommendations for reform, including recommendations in respect of the particular public authorities, for the development, improvement, modernization, reform or amendment to this act or other legislation or common law or any other matter relevant for operationalising the right to access information.

In a democratic set up dynamism in the Government is a key factor and to meet the peoples' aspirations. Governments have to constantly innovate, modify and up-date policies and procedures. While implementing the RTI Act, the Punjab Government has been consistently making efforts to provide hasslefree information regime to the people of the State. However, it still requires constant vigilance to maintain the tempo. In this regard, some specific recommendations for action are listed below:-

- (1) There is no provision in the RTI Act, 2005 to appoint officiating Chief Information Commissioner by the Govt. to fill the gap between superannuation of an incumbent Chief Information Commissioner and appointment of a regular new Chief Information Commissioner. Futhermore, there is difference between the terms and conditions of Chief Information Commissioner and the State Information Commissioners of a State Commission. It is, therefore, desirable that the provision for appointment of officiating Chief Information Commissioner, along with his conditions of service be made in the RTI Act. The State Government may make recommendations to the Govt. of India for this purpose;
- (2) The State Information Commission is the final adjudicatory authority in a State under the Right to Information Act, 2005. There is no specific provision in the Act for review/revision of the orders passed by the Commission. There is also no provision for filing appeal against the order of Single Bench to the Double Bench or a larger Bench. The provision of review/revision along with the provision of filing appeal against the order of single bench to the double bench or larger bench needs to be incorporated in the Act. In order to prevent any misuse of these provisions, adequate conditions for invoking these powers also need to be provided for. This can be possible only with the amendment of the RTI Act and for this purpose, it may be referred to the Govt. of India.
- (3) The Commission can invoke powers under Civil Procedure Code (C.P.C) in complaint cases. However, under section 19 of the RTI Act, while hearing the second appeals, no such powers under the C.P.C has been given. The State Government may recommend to the Central Govt. for amendment of the RTI Act incorporating similar provisions while dealing with cases u/s.19.

- (4) Section 4(1) (a) of the RTI Act enjoins upon the public authority to maintain all its records duly catalogued and indexed in a manner and the form which facilitates the right to information under this Act and ensure that all records that are appropriate to be computerized are, within a reasonable time and subject to availability of resources, computerized and connected through a network all over the country on different systems so that access to such records is facilitated. This requires the Government as well as the public authorities to review the existing record management practices and record retention schedules for various categories of records. A proper catalogue and indexing record is very important to access information.

The State Govt. has already set up an Administrative Reforms Commission and is introducing e-governance in all its Departments. Information delivery under the RTI Act also needs to be made part and parcel of the Administrative Reforms and e-governance implementation. Recommendations were made in the previous two Reports of the Commission i.e. 2007 and 2008 for setting up of a window in the Suvidha Centres under the RTI Act.

- (5) Almost all the significant Departments have their own Training Centers within their respective Departments. Mahatama Gandhi State Institute of Public Administration, Chandigarh is the main Training Centre but some other Departments have the provision of their own training institutes, e.g. Department of Co-operation, Rural Development and Panchayats, Punjab Police, Excise and Taxation, Secretariat Administration, Education etc. Training regarding RTI Act and its procedures be taken up more vigorously by these training institutes.
- (6) It is a well known fact that the Right to Information Act, 2005 has revolutionized the mindset of the citizens of India. All persons should be made fully aware of the provisions of this Act. Department of Education may start a chapter in the academic curriculum from 8th to 10+2 classes;
- (7) For the visually impaired and blind people, RTI Act has been published in Braille. Similarly, the Act has also been published in 'Gurmukhi Lipi';
- (8) The work-load in the Departments has increased manifold with the implementation of the RTI Act 2005. Correspondingly, no additional staff has been provided. The Govt. needs to rationally look into this genuine need and provide for staff, wherever necessary. The Commission had also recommended that honorarium should be paid to the staff for performing duties under the RTI Act. However, the Commission feels that this duty should be an integral part of the duty-chart of officers/officials.
- (9) It has been observed that many a time after transfer/retirement of PIOs/First Appellate Authority, new PIOs/First Appellate Authorities are not appointed for long time. Similarly, new legislative policies/instructions are not up-loaded on the website. All the Departments must appoint PIOs/First Appellate Authorities

immediately on occurrence of such vacancies and up-date their websites regularly. It is also desirable that senior officials are appointed as PIOs/First Appellate Authorities, because they exercise better control over their staff and can deliver justice in time.

- (10) The State Government must undertake, through all forms of mass media, an extensive public awareness programme to educate the people about their right to information. Right to Information Act 2005 which been published in the official state language, Punjabi, should be made freely and widely available on internet and in print form. Sufficient funds should be allocated by the Government for media campaigns.
- (11) It is the duty of the State Government to pro-actively make available key information to all citizens. All Public Authorities in the State must strictly fulfill their obligations under Section 4 of the Act. In compliance of Section 4, every Administrative Secretary should be held responsible for assuring pro-active disclosure by a Public Authority within his or her purview.
- (12) As per Punjab Right to Information Rules 2007, notified by the State Government, seekers of information make payment at the time of application, as well as for delivery of documents etc. At present, such fees are deposited in the Government treasury. It is recommended that all amounts received from seekers of Information, whether at the time of original application, or for delivery of documents etc, should be retained by the Public Authority concerned. A Public Authority should be permitted to utilize the amount so collected for defraying expenses on delivery of information.

Chapter 11 Obligations of Public Authorities

The following chart would show that whereas in the year 2005-06, 1103 requests for information were received by the Public Authorities, in the year 2011, 6159 requests were received. The increase has been 5 times. The institution of complaints/second appeals in the Commission has also shown significant increase in this period. This indicates good awareness amongst the people regarding the RTI Act and the ease of its use and the good capacity of the public authorities and the Commission to handle such a large number of requests/cases. The number of requests rejected has also increased with the increase in the number of requests received. The registration fee has also correspondingly increased in the year 2011. However, the increase in total penalty imposed is not in commensurate with the increase in number of cases. It shows better compliance under the RTI Act.

Year	Penalty	Compensation	Total
2006-08	60	101	161
2009	64	130	194
2010	61	124	185
2011	49	111	160
Total	234	466	700

Reports received from Departments/ Public Authorities u/s 25 of the RTI Act. (2005-06)

MINUTES OF SIXTH MEETING OF FULL COMMISSION OF STATE INFORMATION COMMISSION PUNJAB HELD ON 13.01.2011 AT 12.30 P.M. UNDER THE CHAIRMANSHIP OF SH.R.I.SINGH, LD. CHIEF INFORMATION COMMISSIONER PUNJAB IN HIS OFFICE ROOM.

PRESENT:

1. Sh.Surinder Singh, State Information Commissioner;
2. Sh.Kulbir Singh, State Information Commissioner;
3. Sh.P.P.S.Gill, State Information Commissioner;
4. Mrs.Ravi Singh, State Information Commissioner;
5. Sh.Darbara Singh Kahlon, State Information Commissioner;
6. Sh.S.S.Sandhu IAS, Secretary to the Commission.

Leave of absence was granted to Sh. P.K.Verma and Mrs. Jaspal Kaur State Information Commissioners.

In attendance :

1. Sh. R.K.Arora, Manager Finance & Admn.,
2. Sh. K.R. Gupta, Deputy Registrar.

The agenda items were discussed and the following decisions were taken:-

Item No.1 Progress of court work (position as on 31.12.2010)

It was noted with satisfaction that 5522 Appeal / Complaint cases were disposed of during the year 2010 against fresh institution of 5101 cases.

Consequently, as compared to the pendency of cases at the end of the year 2009, which was 1301 Appeal / Complaint cases, the pendency at the end of 31st Dec. 2010 came down to 880 cases. It is a healthy sign.

Pendency of old cases has also come down. Out of the total 34 old cases instituted prior to 2010, 16 cases have been decided, leaving a balance of only 18 cases. These 18 cases instituted prior to the year 2010 also need to be taken up on priority for disposal, except where the matter is pending in Hon'ble High Court.

Item No. 2 Defence of orders of the State Information Commission in the Higher Judicial Forums.

The Commission considered the agenda, the existing practice in the Commission and the observations of Hon'ble High Court of Karnataka at Bangalore in WP No. 7408/2006 (Poornapriya House Building Co-op Society Vs Karnataka Information Commission) and resolved that in cases where the Commission is impleaded as a respondent before any judicial forum, including Hon'ble High Court and Hon'ble Supreme Court, the Chief Information Commissioner may, where considered appropriate, take steps to suitably defend the

Commission's judgments / orders / stand of the Commission. In particular, it was observed that the Commission may play an important role in cases involving question/s of law relating to RTI Act. Chief Information Commissioner, therefore, may decide if any individual case where Commission has been impleaded as a party should be defended by the Commission or not. The CIC may take assistance of the Legal Advisor of the Commission, where required. However, cases before the High Court / Supreme Court may be defended through the office of the Advocate General, Punjab.

Item No.3 The Punjab State Information (Destruction of Judicial Record) Rules 2009.

The Commission noted that as per its earlier decision on 06.11.2009, the Destruction of Record Rules were approved by the Commission, in exercise of powers vested in the Commission under Section 15 of the RTI Act and there was no reference to any other Act, while approving the proposal. The RTI Act is a self contained code and the Commission exercises all powers for general superintendence, direction and management of the affairs of the Commission, including the way to manage its old record pertaining to Appeals / Complaint cases under the RTI Act.

The Commission resolved that the nomenclature of Punjab State Information (Destruction of Judicial Record) Rules 2009 shall be amended and substituted with the following words, "The Punjab State Information (Destruction of judicial Record) Office Order 2011". The word, 'Rules' wherever occurring in the said Destruction of Judicial Record Rules,2009 shall be deleted and it shall be substituted by the word, 'Office Order'. This change may be notified to all concerned, including the State government and the Punjab State Information Commission (Destruction of Judicial Record) Office Order2011 shall be implemented accordingly w.e.f. January 2011.

Item No.4 Charter of Demands.

The Commission noted the item.

Item No.5 (a) False News Item in the Tribune dated 02.12.2010 regarding purchase of tyres for the official cars attached with Information Commissioners;

(b) News Item appearing in the Tribune dated 24.11.2010 regarding discharge of its quasi-judicial functions under the RTI Act;

(c) Reference from Sh. Anil Vashisht, claiming to be Secretary of an Organization described as “RTI Activists’ Federation” Punjab.

The Commission noted the item, for appropriate action.

Item No. 6 Staff for the maintenance & up-keep of Judicial Records

Considering the urgent need for proper up-keep of the record relating to Appeal / Complaint cases decided by CIC / SICs, particularly the superannuated SICs and non-sanctioning of the additional staff by the State government till now, it was decided that one post of Reader of the superannuated State Information Commissioner/s may be retained by changing the nomenclature of the post from ‘Reader’ to “Reader (Records)” for the maintenance and upkeep of all old records pertaining to decided Appeal / Complaint cases under the RTI Act. Hopefully, in the mean time, government would clear the additional staff, for which proposal has been pending since long, so that as and when a new SIC is appointed, Reader would be available.

As regards the suggestion for the retention of personal staff, i.e. Private Secretary, Reader, Driver and Peon, of the State Information Commissioner/s who demit office at the end of their term/s, the proposal may be examined in detail by office and brought as an agenda item before the Commission.

Item No. 7 Recommendations of SICs as per Section 25(3) (g) of the RTI Act for the Annual Report of the State Information Commission for the year 2010.

The Commission considered the issue and approved that the following observations may be incorporated in the Annual Report of the Commission:-

1. It is observed that very often junior officers are appointed as PIO in government departments, who are unable to discharge their functions effectively, leading to delays / harassment of the information seekers. It is, therefore, recommended that only senior officers should be appointed as PIOs.

2. Considering the pattern of cases being filed in the Commission, it is observed that an overwhelming number of cases are in the form of Complaints under Section 18 of the RTI Act. The number of Appeals filed in the Commission under Section 19 is very small, as compared to the Complaint cases. This shows that the First Departmental Appellate Authorities under Section 19 of the Act are either non-functional or these do not inspire confidence in the information seekers, who directly approach the State Commission, bypassing the 1st Appellate authorities in the State. The government needs to take effective steps to restore confidence in 1st Appellate Authorities so that people make use of this forum, rather than rushing to State Commission at Chandigarh.

3. The Punjab Right to Information Rules, 2007, as notified by the Punjab Government, contains some provisions which are contrary to the Right To Information Act, 2005. This has been pointed out in a number of judgments / orders passed by the Commission. However, so far the government has not carried out the required amendments, to bring the Rules in conformity with the Act. This needs to be done without further delay.

4. An important right conferred on the citizens by the RTI Act is to carry out inspection of works, including the right to take certified samples of material under Section 2 (j) of the Act. However, it is observed that so far the government has not notified any procedure or other relevant details which may be observed, while taking certified samples of works, including the method of getting the samples tested etc. As a result, this important tool in the hands of the citizens to act as watch dog regarding government works / projects has virtually remained defunct. The government should notify enabling Rules / Procedures early and also give due publicity to these provisions of law.

5. It is strongly recommended that all Head of Departments and Secretaries to Government should regularly review the working of RTI Act within their respective Departments, with all concerned on a monthly basis. This would enable them to identify bottlenecks, if any, and take remedial steps.

6. The highly inadequate staff strength mostly outsourced from a private service provider, virtually puts the State Information Commission's administrative structure on an ad hoc basis. All existing posts in the Commission should be filled on regular basis, in regular government scales, to bring permanency to staff structure, besides ending low-wage contractual structure, which does not attract best talent.

7. The proposal for creation of additional posts pending with the government needs to be cleared early to provide the required manpower to the Commission.

8. Lack of proper infrastructure in the State Commission results not only hinders the work of the Commission, but it also causes inconvenience to the public. Till such time as the government provides an official building to house the Commission's Office, additional space required within the existing office needs to be hired early.

9. The Video Conference facility needs an independent court room with technical staff.

The SICs were requested to send further recommendations, if any, under section 25(3) (g) for the Annual Report for the year 2010, by 31st January.

Item No. 8 Status of Video Conferencing and funds under the Centrally Sponsored Plan Schemes.

a) The Commission was apprised that Video Conference facility has been installed by NIC in the Court Room No.1 and the Commissioners may make use of it. To begin with, it was decided that cases relating to Public Authorities with their head quarter in the three border Districts of Amritsar, Gurdaspur and Ferozepur may be taken up through Video Conference. Subsequently, as and when, adequate staff is made available, the facility will be extended to other Districts of the State.

It was also decided that the facility may be formally inaugurated in February, 2011, after due notification to parties to cases, whose consent may first be obtained for hearing of the cases through Video Conference.

b) The Commission was informed that an amount of Rs.1.00 lac was available under the "Centrally Sponsored Plan scheme on "Strengthening, Capacity Building and Awareness Generation for effective implementation of the RTI". The SICs were requested to send their recommendations under this scheme for utilization of the amount. Secretary, SICP was also directed to make sure that the available funds were utilized early.

Item No.9 Conveyance facility to SICs and CIC

The Commission noted that all the Information Commissioners had opted for deduction of charges, at the rates specified by government, from their monthly salary, for private use of official conveyance. The Information Commissioners are equated with Chief Secretary of the State, in terms of their entitlement to conveyance facility. Since there is no limit on the monthly consumption of fuel on Chief Secretary, no such limit is also being imposed on SICs.

The CIC has also opted for deduction of charges from salary at government rates for private use of vehicle. However, it may be mentioned that as per the provisions of Section 16 (5) (a) of the RTI Act, CIC has been equated with Election Commissioners, who in turn, are equated with Judges of Hon'ble Supreme Court. The State government has notified that, "The State Chief Information Commissioner shall be entitled to a staff car and 200 liters of fuel per month or the actual consumption of fuel, whichever is less. {As per Section 8 of the CEC and other ECs (Condition of Services Act, 1991 and Section 23 of the Supreme Court Judges (Salaries and Conditions of Service) Actm1958}"

The office is in touch with the Election Commission of India / Supreme Court of India to obtain details of the practices being followed by those institutions, regarding use of conveyance facility.

However, from the information received from the Punjab Law Commission, the office of Lok Pal, Punjab and The Punjab State Human Rights Commission, who have similar terms relating to conveyance facility as CIC, it appears that in the case of Chairman Law Commission, Lok Pal, Punjab and Chairman and Members of the State Human Rights Commission, no log book is maintained for use of official car for official or private purposes, so long as the limit of 200 liters of petrol per month is not exceeded.

Item No.10 Budget of the Commission for the year 2011-12.

The budget proposals were considered and approved for forwarding these to the State Government.

Other Items

1. It was decided that immediate steps may be taken for acquiring Generators /Inverters for both the buildings of the State Information Commission;
2. All the SICs who have given option should be provided wireless internet connection, in place of land connection.
3. Proposal to purchase Dragon Software was also considered. It was decided that the office should initiate steps for the acquisition of the software.

Meeting ended with a vote of thanks to the chair.

Annexure-D

MINUTES OF SEVENTH MEETING OF FULL COMMISSION OF STATE INFORMATION COMMISSION PUNJAB HELD ON 16.02.2011 AT 12.30 P.M. UNDER THE CHAIRMANSHIP OF SH. R.I.SINGH, CHIEF INFORMATION COMMISSIONER PUNJAB IN HIS OFFICE ROOM.

PRESENT:

1. Sh.Surinder Singh, State Information Commissioner;
2. Sh.Kulbir Singh, State Information Commissioner;
3. Sh.P.P.S.Gill, State Information Commissioner;
4. Mrs.Ravi Singh, State Information Commissioner;
5. Sh.Darbara Singh Kahlon, State Information Commissioner;
6. Mrs. Jaspal Kaur, State Information Commissioner;
7. Sh.S.S.Sandhu IAS, Secretary to the Commission.

Leave of absence was granted to Sh. P.K.Verma State Information Commissioner.

In attendance:

1. Sh. R.K.Arora, Manager Finance & Admn,
2. Sh. K.R. Gupta, Deputy Registrar.

The agenda items were discussed and the following decisions were taken:-

Item No.1 Review of disposal of cases (01.01.2011 to 31.01.2011):

In January 2011, 347 cases were disposed against the fresh institution of 396. The number of old cases instituted prior to the year 2010 has come down to 12 from 18 and needs to be further reduced.

It was noted that recovery of Penalty / Compensation from PIOs/Departments delays final closure of decided cases. It was, therefore, decided to pursue the matter firmly with the Chief Secretary, so that suitable direction is given at the government level to all the Administrative Secretaries for initiation of disciplinary proceedings against such defaulters / departments.

Item No.2 Mechanism for hearing of complaints against Commissioners:

After detailed discussions, it was decided that so far as requests/ complaints for transfer of cases from one Bench to another Bench are concerned, irrespective of the grounds on which such request / complaint is made, the State Information Commission would adopt the procedure followed by the Central Information Commission in dealing with such complaints/ requests. In all such cases, Chief Information Commissioner may take a decision in consultation with the concerned Commissioner, keeping in view the

broad guide-lines laid in the various judgments of the Constitutional courts, including the cases referred to in the Agenda Note, for transfer of cases from one Bench to another.

So far as complaints relating to conduct or behaviour are concerned (other than for transfer of cases from one Bench to another), the Commission resolved that a mechanism of a Collegium comprising CIC and the two senior most SICs may be constituted.

However, where any complaint is against any member of the Collegium, the concerned member shall not sit in the meeting of the Collegium to consider that particular complaint. The next senior most Commissioners shall be co-opted as a member of the Collegium for purposes of that particular meeting.

The functions of Collegium would be to consider all complaints received in the Commission directly or on reference from any other authority, including HE, the Governor and to suggest remedial steps or if the complaint is of a serious nature, to make recommendation to Hon'ble Governor for any appropriate action. The Collegium shall act as a recommendatory body and its proceedings shall be forwarded to HE Governor for such appropriate action as he may deem fit. The mechanism of the Collegium could also be used for consultation by H.E. Governor, Punjab, if he so chooses.

H.E. Governor Punjab may be appropriately apprised of this decision.

Item No.3 Renewal of agreement of Lease Deed of SCO.84-85, Sector 17C,

The Commission considered the recommendations of the Infrastructure Committee and decided that Agreement / lease deed in respect of SCO No. 84-85 Sector 17-C, Chandigarh dated 31.1.06 be extended for a further period of five years.

It was observed that the Punjab State Red Cross has commenced construction of an office block in its Premises in Sec-16, Chandigarh for renting it out to the State Commission and this building may be completed in the next two-three years, depending upon allocation of funds to Red Cross by the State government. Keeping in view this fact, a suitable clause for earlier termination of the lease period may be inserted in the agreement with the landlord, so that as and when the Red Cross building is constructed, the lease may be terminated. The other terms of the lease deed as mentioned in the proceedings of the meeting of Infra-Structure Committee held on 20.1.2011 were approved, including that the rent will be increased by 25% (twenty five percent) i.e. from the present rent of Rs. 91,163 P.M. to Rs. 1,13,954 P.M. for the two floors of SCO 84-85 Sector 17-C.

Further steps may be taken for signing / execution of the lease agreement.

Item No. 4 Clarification regarding un-utilized funds of Rs.48,25,035/- as on 1.04.2010

The Commission considered the agenda note and the reference received from the State government regarding un-utilized funds as on 1.4.2010.

It was observed that the State Information Commission had always kept the Govt. fully informed about the finances available with the Commission and at no stage any facts were ever concealed from the AD. Under these circumstances, the language used in the letter of the AD under reference is regrettable.

The Commission further noted that since 2005, when the Commission was set up, the State Govt. had been according approval to the spending of the unutilized funds of the previous years and at no time the Commission deposited / returned unutilized grant, nor did the government ever ask for it. To illustrate, the Govt. had given approval vide letter No 8/1/2009-1AR/493, dated 14.10.2009 i.e. in the Financial year 2009-2010 for utilizing the amount of Rs.62,45,907/- which comprised the opening balance of Rs.10,10,287/0 as on 1.4.2008 and opening balance of Rs. 52,35,620 as on 1.4.2009.

The Commission does not have any other source of income, apart from the grant in aid from government. It cannot borrow from any other sources, on long/short term basis. The office is run only with the Annual grants, which are required to be released on time on quarterly basis. However, the past record shows that these quarterly releases are invariably delayed, for one or the other reasons. The Quarterly grants were released by the Government in the year 2010-2011, as follows:-

Quarter	Sanction No. and date	Date of release of Grant in Aid
1.04.10 to 30.06.2010	2/35/10-1AR/449, dated 28.04.2010	11.06.2010
1.07.10 to 30.09.2010	2/35/10-1AR/784-790, dated 2.08.2010	31.08.2010
1.10..10 to 30.12.2010	2/35/10-1AR/1228-31, dated 24.12.2010	05.01.2011

The above facts clearly indicate that the grants were received by the Commission after substantial part of the Quarter/s had already passed. In such a situation no statutory organization can run, unless some funds are carried forward from previous quarter / financial year. Otherwise, the statutory functioning of the Commission would come to a grinding halt.

The Commission further observed that due justification for carrying forward the funds was sent to government, including for hiring of an additional floor of the office building, which had been duly consented to by Chief Secretary, Punjab in meeting held on 16.8.2010, payment of post-retiral benefits to Sh. Rajan Kashyap, proposal for which was pending with the Govt.

for almost two years etc. It was expected that the above mentioned proposals would be cleared by the Govt. and these and other liabilities of the Commission would be appropriately met with from the carried forward funds.

The Commission observes that non-depositing of the unutilized funds on 31.3.2010, after due intimation to the AD, was very essential for the smooth functioning of the SIC, proper administration of RTI Act and in the best interest of all the Stakeholders. The Commission also noted that some other statutory organizations of the State, like Punjab Human Rights Commission are following a similar practice and there has never been any problem. It is the duty of the State Govt. to create congenial environment for functioning of its statutory organizations and that would not be possible without a very regular flow of funds.

Since various proposals submitted by the Commission over the last few year/s are still pending with the AD without any result, and as only a month and a half of the financial year is left, it may not be possible to utilize funds before 31st March, even if AD clears the pending proposals. The Commission, therefore, decided that Govt. may be apprised that amount of Rs.48, 25,035/-, which was the opening balance as on 1.4.2010, may be reduced from Rs.84, 25,000/- i.e. the amount due for the 4th Quarter of the Current year and the remaining amount of Rs.35, 99,965/- of this Quarter may be carried forward to the next financial year i.e. 2011-2012.

The Govt. may be conveyed in clear terms that funds for each Quarter henceforth must be provided on time; otherwise the responsibility for any impediment in the smooth functioning of the Statutory Commission would rest on the AD.

Item No.5 Status of Video Conferencing

The Commission noted that H.E., the Governor Pb has very kindly agreed to inaugurate the Video Conference facility in the first week of March.

The Commission noted provision 13(ii) of The State Information Commission, Punjab (Management) Regulation, 2010 which provides that, "An Appeal or a complaint or class or categories of Appeals or complaints may be heard by a Bench either in person or through video conference facility. The proceedings of a Bench conducted through the video conference shall be valid."

Hearing of cases of the three border districts, Amritsar, Gurdaspur and Ferozepur through Video Conferencing may, therefore, be notified, in consultation with NIC and District Magistrates concerned. Since no separate court room or staff has been sanctioned for Video Conference, the facility cannot be extended to the other parts of the State for the present. The Commission noted that its proposals for hiring of the top floor of the main office building and sanctioning of additional staff are pending with the government since long. Secretary may remind the AD for early action so that the Commission is able to provide a dedicated room for Video facility and extend it to the other districts also.

As regards the Centrally Sponsored Scheme of Awareness Generation, the Commission noted that at present only an amount of Rs. 55 thousands was available. The proposals for holding seminars from the Deputy Commissioners were being received. It was expected that the available amount would be utilized shortly. Thereafter, U.Cs should be obtained without delay so that the remaining funds from Government of India could be sought within the current financial year.

Additional Item No.6

i) After the Regular Agenda was finished, Mrs. Ravi Singh pointed out that the outsourced staff was not being paid salaries in time. MFA stated that there were two reasons for it; one was that most of the staff does not have their accounts in the same Bank Branch as that of the Service Provider. All of them have been advised many a times to have accounts in the same bank as that of the Service provider, if they want to avoid delay of 6-7 days. The second cause of delay was because the service provider did not provide the details of EPF, ESI contributions of the employees in time.

The Commission observed that the Service Provider must be firmly told to give the details of EPF, ESI contributions of the employees as per law in time. In case he does not mend, notice for termination of Agreement may be given. Compliance of EPF and ESI law must be ensured and certified by the MFA.

ii) Mrs. Ravi Singh was informed that the proposal for creation of record room for the Commission can only be executed if the proposal for hiring additional space, at present pending with the AD, is cleared.

iii) Mr. PPS Gill pointed out that the pay scales of the staff need to be increased, in view of the report of the 5th pay commission. The matter should be followed up by Secretary.

iv) Sh. PPS Gill was apprised that the case of retention of the staff attached with SICs after their retirement/s was also being processed. Appropriate decision will be taken in due course.

The meeting ended with note of thanks to the chair.

Annexure-E**MINUTES OF EIGHTH MEETING OF THE FULL COMMISSION OF THE STATE INFORMATION COMMISSION HELD ON 19.07.2011 AT 12.30 P.M. UNDER THE CHAIRMANSHIP OF SHRI R.I.SINGH, CHIEF INFORMATION COMMISSIONER ON 19.07.2011 AT 12.30 P.M.****PRESENT:**

1. Sh.Kulbir Singh, State Information Commissioner;
2. Sh. P.P.S.Gill, State Information Commissioner;
3. Mrs. Ravi Singh, State Information Commissioner;
4. Mrs. Jaspal Kaur, State Information Commissioner;
5. Sh. S.S.Sandhu IAS, Secretary. State Information Commission Pb.

In attendance

1. Sh. R.K.Arora, Manager Finance & Admn.,SICP.
2. Sh. K.R.Gupta, Deputy Registrar

Item No.1- Review of disposal of court cases i.e. Appeals/complaints before the SIC from 01.01.2011 to 30.06.2011.

Figures relating to fresh institution, disposal and pendency of cases were discussed. The Commission noted with satisfaction that out of 34 old cases pending for disposal, 33 have since been decided.

The Commission also observed that institution of fresh Appeal / Complaints cases is on the increase. In March, April, May and June, fresh institution was 543, 463, 528 and 517 against 347 and 328 cases in January and February, 2011.

On the other hand, five Information Commissioners have superannuated in the recent past. All efforts, therefore, need to be made to ensure that pendency of cases does not escalate.

Item No.2 Annual Draft Report of the State Information Commission, Punjab for the year 2009.

After due deliberations the Annual Draft Report of the State Information Commission Punjab for the year 2009 was approved. It was decided to get 500 copies printed from the Controller Printing & Stationery Department Punjab, as has been done in the case of Annual Reports for the year 2007 and 2008.

The Commission was apprised that the Annual Draft Report of the Commission for the year 2010 was being compiled. Correct information has been received from 14 Departments so far. The matter was being vigorously pursued with the remaining Departments of the State Govt. for submission of their respective reports.

Item No.3 Regarding 5% increase in the last drawn consolidated contractual salary of the staff of the State Information Commission.

The staff of the Commission appointed against sanctioned posts in the regular pay scales was being paid 5% increase of emoluments every year, as they have been appointed on fixed salary, rather than in the regular pay scale. Vide reference NO.2/29/2005-4AR/3, dated 03.01.2011, the increase of 5% already given to the contractual staff working against the sanctioned posts in regular scales was regularized with the condition that henceforth such employees shall not get this increase in their emoluments without the prior approval of the Govt. Accordingly, 5% increase being given to this category of staff was stopped with immediate effect.

It was observed by the Commission that this increase has been given to the employees since the start of the Commission in the year 2006. Keeping in view the spiraling prices, the regular Govt. employees were getting increase every year by way of annual increments and DA installments, so that the employees are able to cope up with the corresponding increased financial burden. The employees of the State Information Commission employed on contractual basis against the sanctioned posts in the regular scales but on fixed salary also deserve to be provided annual financial relief. So the matter may be taken up with the State Govt. in the Department of IT and AR for allowing the State Information Commission to continue the payment of 5% of annual increase to this category of employees. The Administrative Department may obtain the approval of the Finance Department, if required.

It was pointed out that sometimes the outsourced staff get their emoluments late. The Chief Information Commissioner directed that all the staff should get their salaries/dues well in time in future.

Item No.4 Representation dated 22.02.2011 of Sh. P.K.Aditya – consideration of Legal advice of the Legal Advisor of the Punjab State Information Commission.

The Commission was apprised of the contents of letter dated 22.02.2011 of Sh. P.K.Aditya and the advice tendered by the Legal Adviser of the State Information Commission Punjab on this letter. This letter stipulated that Rule 6 of the Punjab Right to Information Rules 2007 may also be made applicable in the case of first appeals. Rule 6 of the Punjab Right to Information Rules 2007 is applicable to the proceedings before the Commission, which adjudicates the matters in the Second Appeals. This Rule has not been legislated for the First Appellate Authorities. Since this Rule was legislated for the Punjab State Information Commission only, it is legally not possible for the Commission to make it applicable in case of First Appellate Authorities also, while hearing the first appeals.

Deputy Registrar may suitably inform Sh. P.K.Aditya in this regard.

Item No.5- Purchase of on-line judgments Software.

M/s Manupatra and M/s Thomson Reuters made presentations before the Commission with reference to their soft-ware for accessing on-line judgments. The Commission observed that the software of M/s Manuptra was better suited for the Commission as it had better processes of sifting and accessing the relevant judgments. Both the companies were asked about the price for one and also the price for five connections but the representatives of the companies were

diffident in negotiating the price, as they seemed to be not authorized presently for the purpose. They were asked to give their offers in writing with respect to price within one week.

Manager Finance and the System Administrator will analyze the offers and separately submit the matter to the Chief Information Commissioner.

Item No.6 Regarding reference received from the RTI Activists Federation, Punjab addressed to the Hon'ble Governor of Punjab-complaints against SICs.

The contents of letter dated 20.05.2011 of the RTI Activists Federation

Punjab addressed to the Hon'ble Governor Punjab on the issue of mechanism for entertaining complaints received against the State Information Commissioners were noted. Principal Secretary to H.E.Governor Punjab has sought the comments of the Chief Information Commissioner. After deliberating on the issue it was decided that the Chief Information Commissioner may convey comments of the Commission in this regard to the Hon'ble Governor.

Meeting ended with a vote of thanks to the chair.

Annexure-F**MINUTES OF NINETH MEETING OF THE FULL COMMISSION OF THE STATE INFORMATION COMMISSION PUNJAB HELD ON 29.09.2011 AT 12.45 P.M. UNDER THE CHAIRMANSHIP OF SHRI R.I.SINGH, CHIEF INFORMATION COMMISSIONER PUNJAB.****PRESENT:**

1. Sh. P.P.S.Gill, State Information Commissioner;
2. Mrs. Ravi Singh, State Information Commissioner;
3. Mrs. Jaspal Kaur, State Information Commissioner;
4. Sh. B.C.Thakur, State Information Commissioner;
5. Sh. Chander Parkash, State Information Commissioner;
6. Sh. S.S.Sandhu IAS, Secretary. State Information Commission Pb.

Leave of absence was granted to Sh. Kulbir Singh, SIC.

1. The Commission was apprised about a complaint filed by a person under Section 12 of the Consumer Protection Act, 1986 in the District Consumer Forum, U.T.Chandigarh against the PIO of the Commission, on the grounds of alleged 'deficiency' in the service provided to him, while furnishing information sought by him under the RTI Act, 2005.

The Commission also took note of some press reports appearing in the news papers that the various District Consumer Forums are entertaining Complaints u/s 12 of the CPA, 1986 against PIO's appointed under the RTI Act, 2005 and that some Consumer Forums have even awarded 'compensation' against the PIO concerned.

The Commission, while taking note of the reply filed on behalf of the State Commission in the U.T.Consumer Forum, resolved that such order/s of the Consumer Forum should be challenged by the Commission in the higher constitutional courts, as the Consumer Forums have no jurisdiction over issues arising out of RTI Act 2005. It was, therefore, decided that the notice issued by the

District Consumer Forum should be challenged in the Hon'ble High Court at an appropriate stage, in consultation with the LA. The Commission further approved that services of Senior Advocate/s may be engaged by the State Commission for this purpose.

2. The Commission was informed that the facility of accessing case law at the manupatra.com is now available in the Commission. The System Administrator of the Commission will coordinate access to the Manupatra web-site, as and when Ld. SIC's ask for the same.

Meeting ended with a vote of thanks to the chair.

Annexure-G

MINUTES OF 10TH MEETING OF THE FULL COMMISSION HELD ON 4.11.2011 UNDER THE CHAIRMANSHIP OF THE HON'BLE STATE CHIEF INFORMATION COMMISSIONER, PUNJAB.

Following Information Commissioners were present:-

1. Sh. R.I.Singh, State Chief Information Commissioner, Punjab.
2. Sh. Kulbir Singh, State Information Commissioner, Punjab.
3. Sh. P.P.S.Gill, State Information Commissioner, Punjab.
4. Ms. Ravi Singh, State Information Commissioner, Punjab.
5. Ms. Jaspal Kaur, State Information Commissioner, Punjab.

In attendance:-

1. Sh. Ravinder Kumar Arora, Manager Finance and Administration.
2. Sh. K.R.Gupta, Deputy Registrar.

ITEM No.1: To review the progress of Court Work.

The court work was reviewed from 01.01.2011 to 30.09.2011. Out of total institution of 3807 cases the disposal of cases pertaining to 1st, 2nd and 3rd quarters was 3701. The pendency of the cases is 1030.

Five Information Commissioners have superannuated in the recent past. All efforts need to be made to ensure that pendency of cases does not escalate.

ITEM No.2: Increase in the salary of outsourced/contractual employees of the Commission against the sanctioned posts / pay scales.

The Full Commission considered the matter at length and felt that the Commission's staff is very poorly paid. The Government wages have increased following pay Commission's recommendations and D.A. but the wages of outsourced staff are static. It was, therefore, decided that the officials outsourced through private service provider viz a viz who are neither in receipt of salary on D.C. rates nor retired from the Government service, their pay may be enhanced 35% on the analogy of 5th pay Commission and keeping in view the enhancement of D.C. rates from the present pay. The matter be referred to the Government for necessary approval.

In regard to the retired employees who are appointed on contract basis, It was decided by the Full Commission that their salary be fixed on the principles of last pay drawn at the time of retirement from the Government Service minus pension. The matter be referred to the Government for approving the same.

Further, it was reiterated that the status regarding proposal to enhance 5% pay annually of posts sanctioned in the regular pay scales, may be confirmed from the Government, besides sanctioning regular posts for the Commission against the sanctioned strength in the time scales.

AGENDA ITEM No.3 : Action on the suggestion on the application cum complaint letter No.80/2010, dated 1.4.2010 from Jagat Singh, Indian Postal Service (Retd)of Hoshiarpur-complaints & suggestions in respect of the State Information Commission,Punjab.

An application cum complaint letter No.80/2010, dated 1.4.2010 from Jagat Singh,Indian Postal Service (Retd)H.No.B3/MCH/235, Sanatan Dharam Sanskrit College,Near

Bhahadurpur Chaowk, Hoshiarpur forwarded by the office of the Hon'ble Governor of Punjab vide their No.7/2/2011-Misc-2G-PRB/2901,dated 5.5.2011 to the Principal Secretary,Department of Information Technology,SCIO No.193-195,Sector 34-A,Chandigarh was received by the by the Commission through the Punjab Government, Department of Information and Technology (AR Branch) vide No.2/77/2011-AR/502, dated 9.6.2011, the following suggestions were discussed :-

i) The State Commission, Punjab is not acknowledging the receipt of second appeals and complaints on the date of receipt in the Commission, as being done in the office of the Central Information Commission, Delhi.

ii) While issuing notice of hearing to the parties to cases, the State Commission does not indicate the number of letter, name of CIC/SIC with his telephone number, mobile number if provided by the Punjab Government.

The issue at serial No.1 was considered by the Full Commission which refers to the acknowledging the receipt of second appeals and complaints on the date of receipt in the Commission, as being done in the office of the Central Information, Delhi.As per prevelant practice in the Commission if any appeal/complaint is delivered at the reception counter,it is acknowledged instantly by the receptionist.However, the letter /documents received in the Commission by registered post/courier are acknowledged by the Deputy Registrar in case of deficiency in documents and by the Ld. State Informationer is by fixing date of hearing . It was decided that this practice is most feasible and it should be continued in future also.

In regard to issue at serial No. 2 regarding issuing notice of hearing to the parties to cases, the State Commission does not indicate the number of letter, name of CIC/SIC with his telephone number, mobile number if provided by the Punjab Government. It was decided that these suggestions be agreed to and may be incorporated in the noitice of hearing.

ITEM No. 4 Complaint from Sh. Rohit Sabharwal, President, Council of RTI Activists (Regd)- a Peon Sh. Harpal Singh of Ludhiana Improvement Trust posed as Clerk at the time of R.T.I. hearings in the Punjab State Information Commission.

The Complaint of Sh. Rohit Sabharwal, President Council of RTI Activists (Regd), Kundan Bhawan,126,Model Gram,Ludhiana, against a Peon namely Sh. Harpal Singh of Ludhiana Improvement Trust who posed as Clerk at the time of R.T.I. hearings from time to time in the Punjab State Information Commission, was considered in the meeting of the Full Commission. It was decided that the appointing authority of Sh. Harpal Singh, Peon of Ludhiana Improvement Trust, be asked to take appropriate action against the said Peon for impersonating as Clerk.

The matter ended with a vote of thanks.
